Middle Mile Grant Program	National Telecommunications and Information Administration	\$1,000,000,000	Competitive Grant	9/30/2022

Safe Streets and Roads for All

What's the opportunity?

The Safe Streets and Roads for All (SS4A) program funds regional, local, and Tribal initiatives through grants to prevent roadway deaths and serious injuries.

\$5 billion is appropriated over the next 5 years – \$1 billion in annual funding from FY22 to FY26.

What's the timeline?

Deadline for applications is 5 p.m. EDT on Sept. 15, 2022

Why does it matter?

In 2021, an estimated 42,915 lives were lost on U.S. roads. SS4A grant funding will support USDOT's goal of zero deaths and serious injuries on our nation's roadways and can:

- Present new opportunities to proactively tackle inequality and benefit disadvantaged communities
- Have immediate impacts on street safety and make long-term, data-driven improvements in your agencies
- Open the door to partnerships that allow you to scale your impact even beyond city limits
