Key 2023 NOFOs from the Infrastructure Investment and Jobs Act

The Bipartisan Infrastructure Law consists of nearly 400 funding opportunities. At localinfrastructure.org you can find up-to-the moment information about how to apply for these programs to enable your city to win funding and drive positive outcomes for your residents. Below are key 2023 Notice of Funding Opportunities (NOFOs), listed in order of when the NOFO is likely to be open (though the window between the NOFO opening and application due date is often uncertain and may in reality span two quarters). Please note that this list is not exhaustive, and the dates are tentative and subject to change.

NOFO	Agency	Program Description
Quarter 1 (January-March 2023)		
Charging and Fueling Infrastructure (NOFO is currently open, closes 5/30/23)	Department of Transportation	Grants to install electric vehicle charging and alternative fuel in locations on public roads, schools, parks, and parking facilities.
Energy Efficiency and Conservation Block Grant Program (Formula funding) (Pre-Application Information Checklist due 4/28/23)	Department of Energy	Supports States, local governments, and Tribes in implementing strategies to reduce energy use, reduce fossil fuel emissions, and improve energy efficiency.
Resilient and Efficient Codes Implementation (NOFO is currently open, closes 3/27/23)	Department of Energy	Grants to enable sustained cost-effective implementation of updated building energy codes.
Brownfield Grants (Some NOFOs are currently open for FY23; FY24 is expected in Q2 and Q3)	Environmental Protection Agency	The EPA Brownfields program provides several types of grants as well as technical assistance to communities, states, tribes and others to assess, safely clean up and sustainably reuse contaminated properties.

Local Infrastructure Hub

Safe Streets and Roads for All (SS4A) (NOFO is currently open, closes 7/10/23)	Department of Transportation	Grants for regional, local, and Tribal initiatives to prevent roadway deaths and injuries.
Quarter 2 (April-June 2023)		
Reconnecting Communities Program and Neighborhood Access and Equity Grant Program	Department of Transportation	Federal program dedicated to reconnecting communities that were previously cut off from economic opportunities by transportation infrastructure.
Multimodal Project Discretionary Grant Opportunities (Mega , INFRA , and Rural)	Department of Transportation	<p>The Mega Program will support large, complex projects likely to generate national or regional economic, mobility, or safety benefits.</p> <p>INFRA awards grants for multimodal freight and highway projects of national or regional significance.</p> <p>The Rural Surface Transportation Grant Program will support projects to improve and expand the surface transportation infrastructure in rural areas.</p>
Thriving Communities	Department of Transportation	Grants that provide hands-on planning support and technical assistance to advanced infrastructure projects that address critical social, economic, environmental, and mobility needs.
Promoting Resilient Operations for Transformative, Efficient, and Cost-Saving Transportation (PROTECT)	Department of Transportation	Supports planning, resilience improvements, community resilience and evacuation routes, and at-risk coastal infrastructure.

THE UNITED STATES
CONFERENCE OF MAYORS

Local Infrastructure Hub

Quarter 3 (July-September 2023)		
Rail Vehicle Replacement Program	Department of Transportation	Funding to transit agencies that operate fixed-guideway and high-intensity motorbus systems for the maintenance, replacement, and rehabilitation of capital assets.
Bridge Investment Program	Department of Transportation	Grant to reduce the overall number of bridges in fair or poor condition.
Railroad Crossing Elimination Program	Department of Transportation	Funding for highway-rail or pathway-rail grade crossing improvement projects that focus on improving the safety and mobility of people and goods.
Building Resilient Infrastructure and Communities (BRIC) and Flood Mitigation Assistance Grant Programs	Federal Emergency Management Administration	Support to undertake hazard mitigation projects, reducing the risks faced from disasters and natural hazards.
State and Local Cybersecurity Grant Program	Federal Emergency Management Administration	Grants to address cybersecurity risks and cybersecurity threats to information systems owned or operated by, or on behalf of, state, local, or tribal governments.
Digital Equity Competitive Grants	Department of Commerce	Grants to promote digital equity and inclusion to ensure that all communities are able to leverage the benefits of the digital economy. (Public comment on this new program is open through 5/1/23 —NOFO release date is TBD after this date)

Local Infrastructure Hub

Quarter 4 (October-December 2023)		
Consolidated Rail Infrastructure and Safety Improvements (CRISI) Program	Department of Transportation	Funding for projects that improve the safety, efficiency, and reliability of intercity passenger and freight rail.
Strengthening Mobility and Revolutionizing Transportation (SMART) Grants Program	Department of Transportation	To conduct demonstration projects for advanced smart community technologies and systems to improve transportation efficiency & safety.
National Culvert Removal, Replacement, and Restoration Grants	Department of Transportation	For replacement, removal, and repair of culverts / weirs that meaningfully improve or restore passage for anadromous fish. Anadromous fish species are born in freshwater such as streams and rivers, spend most of their lives in the marine environment, and migrate back to freshwater to spawn.
RAISE (2024)	Department of Transportation	Grants for surface transportation infrastructure projects to improve: safety, environmental sustainability, quality of life, mobility and community connectivity, and economic competitiveness.
Recycling Education and Outreach Grant Program and Solid Waste Infrastructure For Recycling (SWIFR) Grant Program for Political Subdivisions of States and Territories	Environmental Protection Agency	Grants to implement the National Recycling Strategy to improve post-consumer materials management and infrastructure; support improvements to local post-consumer materials management and recycling programs; and assist local waste management authorities in making improvements to local waste management systems.
Energy Improvements at Public K-12 School Facilities	Department of Energy	Investments to make clean energy improvements at K-12 public schools. Funds will position school districts to make upgrades that will lower facilities' energy costs and foster healthier learning environments for students.
Clean and Drinking Water - State Revolving	Environmental Protection Agency	States initially receive funding, then provide funds to Water Utilities and/or Municipal and Other Eligible
